

第十周作业:  
P155 #6

P156 #12

由于未能请同学拍到 P156 页照片无法完成此题  
将在下次作业中提交  
望谅解

P157 #14

测试程序结果如下所示

```
Enter the root: A
Enter the first son and next sibling of A (# is NULL node): B #
Enter the first son and next sibling of B (# is NULL node): E C
Enter the first son and next sibling of E (# is NULL node): # #
Enter the first son and next sibling of C (# is NULL node): F D
Enter the first son and next sibling of F (# is NULL node): G H
Enter the first son and next sibling of D (# is NULL node): I #
Enter the first son and next sibling of G (# is NULL node): # #
Enter the first son and next sibling of H (# is NULL node): K #
Enter the first son and next sibling of I (# is NULL node): # #
Enter the first son and next sibling of K (# is NULL node): M #
Enter the first son and next sibling of M (# is NULL node): # #
Tree built successfully.
The size of this tree is 11
The height of this tree is 5
```

测试数据的树表示如下
